UNIVERSITY

REQUEST FOR SINGLE IRB REVIEW

Missouri State University
Institutional Review Board (IRB)
v. December 2013

*For research conducted at Missouri State University,
subject to review by another qualified IRB*

The Principal Investigator must complete this form for research involving human subjects at Missouri State University in which another IRB is requested to be the IRB of Record. After submitting this form to Missouri State University, the IRB will review it and determine if single IRB review is appropriate.

For OSRP Use Only Date Submitted: _____ Date Received: _____ Application #: _____
